Before you criticize someone, walk a mile in their shoes.

That way, when you do criticize them, you're a mile away, and you have their shoes.

Ruth Holden

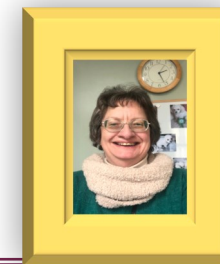

I started working here in July 2017 and was welcomed by Geoff Green with the greeting "Welcome to the Mad House!". Prior to my interview I had never heard of the Nottingham Mechanics and didn't really know what I was letting myself in for!

My role is Administrator/Accounts Co-ordinator, it covers a range of tasks which include room hire/finance etc.

Most of the time I am the quiet one beavering away unseen but let out on Friday mornings to welcome people to the Curtius Salon talks and of course take your entry fee.

For those of you who have ventured as far as my office (the green/plant room!) you will see that one of my interests is knitting. I always have a project on the go. Currently I am making different flowers every month (watch my door for updates).

Love meeting you all, long may it continue.

MAKING IT FIT BEAUTIFULLY!
