Members News

Kyle Grace-Taylor

I started work at the Nottingham Mechanics in September 2017

I had never heard of the Nottingham Mechanics previously, but I remember this building being built on North Sherwood Street back in 2003.

My role is varied: I work on the bar, wait on tables and take customers' orders.

I have also been involved in the new website, adding the newsletters and the regular updates.

I have a dog called Pablo who is nearly 4 years old. He is a Boston Terrier who is very hyperactive and keeps me and my family on our toes.

I enjoy Fridays when most members come in.

During my time here I have met some wonderful people, some of whom are sadly, no longer here, but we still remember them in our conversations.

See you all soon.

Kyle

MAKING IT FIT BEAUTIFULLY!
